

“ONE STUDENT ONE TREE “PLANTATION DRIVE

“One student one tree” a central government programme under ministry of HRD with Prime minister vision “**preserving the environment**” trees are the solution for green health environment.

AICTE has initiated this programme throughout India, in all educational Institutes to plant one tree for each student.

On the occasion of 73rd Independence celebration on 15th August 2019 Bapuji Pharmacy College organized “**One student one tree**” plantation programme. Students actively participated in planting of tree saplings in and around the college. This initiative driven by the AICTE gave students environmental consciousness and awareness to restore eco-balance.

Bapuji pharmacy college thank forest department of Davangere for providing free tree saplings for the programme.
